**DR. CHELISE FIRMIN, OD**  
LENSRXLAB Venturer and Chief Medical Officer

**ANTHONY B. MILES**  
LENSRXLAB Managing Venturer and Service-Disabled Veteran  
US Navy Trident Nuclear Submarine Force

## Info Session 5: Steps To Order Diabetic Eyewear

In this info session, we define Diabetic Eyewear, different diabetic eyewear available, what our Platform offers, what worksites benefit, core value proposition, steps for enrollment and user benefit access and redemption.

**Q 1: What is Diabetic Eyewear and the key considerations when ordering diabetic eyewear?**

**Dr. Firmin:** Diabetic eyewear refers to specialized glasses or eyewear designed to meet the unique visual needs and challenges faced by individuals with diabetes. These eyewear options typically offer features such as enhanced protection against harmful light spectrums, optimized vision correction, and materials that prioritize comfort and durability. They aim to support the overall eye health of diabetic individuals by addressing specific concerns related to diabetic eye conditions.

**Q 2: How does LENSRLAB ensure that diabetic eyewear meets the unique needs of individuals with diabetes?**

**Dr. Firmin:** LENSRLAB employs its own advanced lens technology and materials tailored to address the specific challenges faced by individuals with diabetes. Our diabetic eyewear provides adequate protection against harmful light spectrums and aligns with diabetic eye health requirements.

**Q 3: What are the different types of diabetic eyewear available through LENSRLAB?**

**Dr. Firmin:** LENSRLAB offers a diverse range of diabetic eyewear, including prescription glasses, sunglasses, and safety eyewear. Each type is carefully designed to cater to the unique needs of diabetic individuals while ensuring optimal vision correction and eye protection.

## Q4: How does users' access and redeem LENSRLAB's Supplemental Diabetic Eyewear Benefit ?

**Miles:** Here are the easy steps to employee, service member, patient, veteran, and beneficiary access and redeem their benefit

**Step 1:** Users receive email and text message with benefit notification. Notification contains dashboard login link <https://accessbenefits.lensrxlab.com/login/>

**Step 2:** Users login <https://accessbenefits.lensrxlab.com/login/> and select diabetic eyewear

**Step 3:** Start ordering. Select frame style + color, lens type, material, color, and coatings etc. and checkout. 30-40-% Founders Subsidy automatically applied prior to checkout.

## Q 5: How long does it typically take to receive diabetic eyewear orders?

**Dr. Firmin:** The processing and delivery time for diabetic eyewear orders may vary based on factors such as customization specifications and shipping logistics. However, LENSRLAB strives to ensure prompt order processing and timely delivery to meet customer needs.

## Q 6: Are there any special subsidies for diabetic eyewear orders through LENSRLAB Supplemental Vision and Health Benefits Platform?

**Dr. Firmin:** Yes, LENSRLAB offers a substantial subsidy for diabetic eyewear orders through its Supplemental Vision and Health Benefits Platform. Our Founders Subsidy is a perpetual subsidy of 30-40% provided by Anthony B. Miles and I, to government and corporate worksite employees, patients, service members, veterans, and beneficiaries. It is our belief that by offering a substantial subsidy, more individuals can access vision care services and products, regardless of their financial circumstances, promoting greater inclusivity and equity in health-care.

## About LENSRLAB SUPPLEMENTAL VISION AND HEALTH BENEFITS PLATFORM

\*LENRXLAB Supplemental Vision and Health Benefits Platform is dedicated to providing comprehensive and affordable eye health solutions, encompassing diabetes, safety benefits management, and safety compliance for government and corporate worksites across all 50 States, Washington DC, and US Territories. Our overarching goal is to annually serve 250,000 or more patients, service members, veterans, beneficiaries, and employees with high-quality safety, diabetic, and dress eyewear. Additionally, we aim to reach and benefit 500,000 individuals at risk or diagnosed with diabetes through our innovative DiaVista lens technology.

LENSRLAB is a distinguished Black American and SBA Service-Disabled Veteran-Owned Ophthalmic Goods Manufacturer and Wholesaler Small Business Enterprise. Our leadership, headed by Anthony B. Miles, a US Navy Trident Submarine Force Veteran, and Dr. Chelise Firmin, Optometrist, is rooted in Philadelphia, Pennsylvania, with operations extending to Jacksonville, Florida.
